“Your dreams are real. Learn how dreams can help you gain insights from the past and future, grow in confidence, heal yourself spiritually, make decisions about your career and finances. Do this from a unique point of view: recognize the spiritual nature of your dreams.”

—Harold Klemp, *The Art of Spiritual Dreaming*, Back Cover.

There will be copies of the book made available but we recommend buying one in case there are not enough to go around. You can purchase an electronic version on Amazon.
